You have been a valued member of the Mphasis family, and it makes us sad to know that you have decided to move on. We genuinely hope that your journey with Mphasis has been an enjoyable and unforgettable one, filled with learnings and memories.

As you are in the midst of serving your notice period, we would like to take this opportunity to let you know that it is never too late to reconsider your decision about leaving Mphasis. Do get in touch with your manager or HRBP, to discuss the possibilities of staying back .

We will be elated if you reevaluate your decision to stay back!
